

Family : Recolorant dye
Field of use : Leather & white textile

Tarif code : 0303

White Novelys[®]

SNEAKER CARE RANGE

VOLUME :
75 ml

TECHNICAL CHARACTERISTICS

Repigments, renovates and beautifies.

- Fluid, easy to apply.
- Highly covering, thanks to a very high concentration of pigments.
- Long-lasting resistance to rubbing and water contact.

CARE INSTRUCTIONS

1. Brush the article to remove any dust or dirt
2. Shake the bottle to homogenize the product
3. Apply the sponge upside down, pressing lightly
4. Dry for 15 minutes
5. Rinse the applicator sponge under water and cap the bottle.

If necessary, clean smooth white leather with RENOMAT (Ref.0514)

Make a test on a hidden part beforehand.

Rinse the foam from the applicator to preserve it.

Waterproof treated articles with INVULNER aerosol (Ref.0745)

For other smooth white leather items, to be recolored or renovated, use :

- WHITE RENOVATOR CREAM (Ref.085121)
- white JUVACUIR (Ref.080321)
